

Summer Immersion Camp 2025

Spanish for Everyone

Give your child the ultimate Spanish adventure of a lifetime!

Cazorla 2025

22nd July – 29th July 2025

Following the success of the Language Immersion Camp over the past six summers, we are excited to return to Cazorla, a dynamic and highly successful location. Situated in southern Spain, within a privileged natural park surrounded by rivers and lakes, Cazorla provides an inspiring and picturesque setting for the program. This year's camp continues its goal of integrating students with Spanish children, allowing them to work closely with Spanish teachers through interactive and immersive activities in a rotation system. In the afternoons, students will focus on academic learning with Olé tutors, covering essential topics, particularly for those preparing for their Spanish GCSEs and A-Levels.
